- vs -

Civil action 2:17-cv-18

CWNC of 2020
Defendant

motion

1964 Civil Rights Act.
against Discrimination
in the Work Place

To the Honorable Judge of said court,

Now Comes,

ms. Bobbie, A/K/A the Plaintiff and request notification of the present / above
Civil action 2:17-cv-18 to interested parties in the Texas Prison System.

Argument for Notification

Your Honor the present civil action involves, Equal
protection, discrimination and breach of contract.

In the recent Supreme Court ruling as regards to the 1964
Civil Rights Act against discrimination against gay people, the Supreme
ruled Transgenders are covered by the 1964 Civil Rights Act on
discrimination in the work place

Discrimination is the second wrong with sex stereotyping of a transgender due to she must cut her hair like a male, look like a male, and act like a male

Your Honor, go directly to legal claim #3, document 62 page page 20 of 37, the claim is what the Supreme Court is talking about

Transgenders have jobs in prison, yet discrimination takes place because we are forced to cut our hair like a male, act denied cosmetics, forced to look like a male.

This is not a isolated incident, it affects every transsexual woman in prison

The 'order Setting deadlines' are gone with the June 3, 2020 Stay and who knows about the 5th circuit Stay?

We still have no firm date on the official community hearing

Your Honor, either way we slice the pie, the 1964 Civil Rights Act looms in our face

Civil action 2:17-cv-18 has a Supreme Court decision that creates a genuine disputed issue of fact. Yet the present civil action is on a 'Stay'.

While the 'Stay' is in effect the Plaintiff asks for notification of the Civil action for interested parties in the prison newspaper 'The Echo'. Enclosed is the Echo for Court examination

Civil action 2:17-cv-18 is a ~~narrowly~~ focus court action and only affects transgenders in prison. No other notification would be required.

We have the time space open to us due to the stay. It's a narrowly focus notification and involves the 1964 Civil Right Act which the present action involves Civil rights

The Plaintiff asks for notification
